

SHADE PAVILION AT CAMP SOUTHERN GROUND

The Shade Pavilion at Camp Southern Ground was the first major project finished on the 400 plus acre campus, and is the perfect location for all your outdoor event needs. With 12,800 square feet of space, and 8,800 of that covered, the Shade Pavilion can accommodate seating for up to 300 guests.

The Shade Pavilion is multi-functional and includes four square courts and basketball goals, perfect for entertaining children and adults of all ages. Bring your loved ones together at your next family reunion, or host an employee appreciation day at the pavilion and enjoy the natural beauty that surrounds you at Camp Southern Ground.

Hosting your next event at the Shade Pavilion means you'll spend the day overlooking the 15-acre organic garden and the High Ropes Adventure Course sponsored by the Boot Campaign and Chris Kyle Frog Foundation. On site, you'll also have access to team building activities like our low and high ropes course, axe throwing or archery. Additionally, we can provide catering on site from our preferred caterers.
